2021 Editorial Calendar

Bus tours must be invited because bus tour planners and operators do not want to bring groups to places where they cannot be accommodated or where they are not wanted. Bus tours also need to be invited well in advance because tour planners often need six months or more to plan and market their itineraries before the actual travel date. Ask your Account Executive for

details or see the information below at “Advertisers Note” for each issue of *Bus Tours Magazine* to determine where bus tour planners are concentrating.
